Web Site Update

Hello,

The Green Well Renewable Power Corporation (previously Boulder Geothermal Corporation) web site has been updated.

As we reach new milestones you will notice regular updates. Please feel free to visit us at www.greenwellpower.com and view our new video, showcasing the new rack and pinion gear actuation system along with an updated PowerPoint presentation which discusses the various environments the Linear Engine can be used to create energy.

Please feel free to contact me with any questions you may have at 604-921-2510 or by email at hani@ceo.ca

Thank you for your continued support. Wishing you all the best in 2009.

Best regards,
